Subject: Ambassador Bridge blockade

Hi Michael,

I am writing to flag an urgent issue impacting the auto industry. The blockade of the Ambassador Bridge has resulted in 4 hour wait times to cross and wait times appear to be growing. CVMA members (Ford, GM and Stellantis) depend on unimpeded operation of this bridge, any wait time at the border has significant implications for plant operations. We are asking for the provinces support in resolving this immediately. Please let me know if you are available to discuss.

Best regards,

Brian
